Delivery Team Member

POSITION PROFILE

PART A: POSITION DESCRIPTION

Position Title: Delivery Team Member	**Location**: National
Group: Positive Partnerships	**Reports to:** State/ National Coordinators
Industrial Award Coverage: Non-award	

Organisation Purpose

A different brilliant ® - Understanding, engaging and celebrating the strengths, interests and aspirations of people on the autism spectrum.

At Positive Partnerships:

- We value partnerships

We know the best outcomes for young people occur when parents, schools and community work together.

- We value learning

We embrace innovation and change that advances our growth as a project.

- We value diversity

Deeply listening to culture, autistic voice and lived experience.

Team Purpose

Positive Partnerships is a national project funded by the Australian Government Department of Education. We're delivered by Aspect (Autism Spectrum Australia).

What we do

We work in partnership with families, educators and communities to strengthen positive outcomes for autistic young people. We create connections and opportunities for an inclusive culture where autistic students belong and thrive.

We deliver high quality professional learning and resources through workshops (in person and online), webinars and online modules for parents, carers and school staff. This strengthens their capacity to support and advocate for autistic young people.

Position Purpose

Delivery Team Members will work closely with the Coordinator and Team Leader to support the facilitation of workshops in their respective state/territory. This may include face to face and online workshops, pilots/trials and webinars as determined by the program schedule.

Outcomes

Key Result Area	Requirements & Expectations	Success Indicators
Operations	• Work collaboratively with the Coordinator and Team Leader to facilitate a minimum of 2 nationally consistent high-quality workshops per year • Adhere to all processes and procedures as outlined in key documentation that guide program delivery and participant support • Adhere to relevant Aspect policies and procedures and Positive Partnerships Team Guidelines • Adhere to the Australian Government Department of Education contractual requirements (2020 – 2025) • Support a team that values diversity and believes in people • Invest in a strong team approach and collaborative partnerships • Demonstrate a commitment to the project and its outcomes	• Workshops are delivered according to the state/territory strategic plan • Targets are achieved • Timelines are met • Delivery team is well supported • There is consistency in use of training tools and materials • Workshop, program and webinar processes are implemented and completed efficiently • Contributions are made to the improvement of resources and materials • Evaluation is conducted • Project outcomes achieved • Deliver workshops that reflect local and/or diverse needs • There is evidence of positive outcomes for program participants and stakeholders
Communication	• Ability to communicate effectively and appropriately with Positive Partnerships staff, fellow delivery team members and participants • Adhere to relevant Aspect policies and guidelines that relate to communications, including but not limited to significant communications, media liaison, privacy and the handling of complaints	• A high standard of communication is maintained • Communication is timely and appropriate • Compliance is maintained with Aspect policies and guidelines
Safeguarding the people, we support	Aspect is committed to providing an environment free from abuse, neglect and exploitation of the people we support. Staff are expected to:	• Demonstrated evidence that Aspect's values and Code of Conduct are understood and practised in all aspects of work

	• Follow safeguarding guidelines as outlined in Aspect's Safeguarding the People We Support policy and Code of Conduct. • Be vigilant and maintain a focussed sensitivity to recognising signs of abuse, neglect or exploitation and escalate/report those signs/concerns • Escalate/report other staff practices which deviate from policy/procedure	

Work, Health and Safety	Members of the Aspect management network are considered "officers" according to the WHS Act and accordingly are responsible for ensuring Aspect has arrangements in place to comply with legal obligations.
	• Fulfil your obligations to ensure Aspect complies with its work health and safety obligations under WHS laws.
	• Hold managers within your business unit accountable for their health and safety responsibilities.
	• Fulfil your duty to exercise due diligence. Due diligence means you must:
	  o acquire and keep up to date knowledge of work health and safety matters
	  o understand the operations of the business and the hazards and risks involved
	  o ensure appropriate financial and physical resources and processes are provided to enable hazards to be identified and risks to be eliminated or minimised
	  o ensure information regarding incidents, hazards and risks is received and the information is responded to in a timely way
	  o ensure the business has, and implements, processes for complying with any legal duty or obligation
	  o verify the provision and use of resources and processes.
		• Injury rates are low or negligible
		• Incident forms and safety risks are forwarded on time to the WHS Consultant
		• Return To Work plans are in place for any injured employee
		• WHS matters are included as part of regular meetings
		• Identified hazards, issues or risks are evaluated and appropriate management controls applied
